

Welcome to Ft. Knox transfers to Ft. Benning.

Our MOAA Chapter stands ready to assist officers, enlisted, civilians and contractors, who will be relocating from Ft. Knox to Ft. Benning. Our members have all been transferred many times during our military careers and we know it is reassuring to have people at the new duty station willing to provide assistance information.

If we don't have the answers to your questions, we will try to put you in touch with either military or civilian personnel, who do have the answers.
