Dear Sir:

Our chapter of the Military Officers Association of America, MOAA, invites you and your officers to join our organization.

We, in conjunction with our national headquarters offer the following:

- 1) Funding of up to \$500 per officer class for a social event;
- 2) Free magazines for reading purposes for each class;
- 3) T Shirts with the class logo on the front and "MOAA A Powerful VOICE" on the back for each class;
- 4) Free membership for one year for officers who have not previously been a member.

MOAA was founded in 1929. MOAA is the country's largest and most effective association of military officers with 370,000 members. We would like to have our national membership representative, himself a retired US Army officer, speak briefly to each class to offer them access to the organization.

Membership is available to all Active duty, retired, National Guard, Reserve, former commissioned officers, and warrant officers of the uniformed services.- Army, Navy, Air Force, Marine Corps, Coast Guard, Public Health Service, and National Oceanic and Atmospheric Administration. Auxiliary membership is available to surviving spouses of deceased officers.

We focus on people issues and have career planning, benefits counseling, job placement college scholarships and loans available.

Locally our Chapter has provided \$2,000 in scholarships thru the Officers' Spouse Club for many years. We recognize Junior (High School) and College ROTC graduates. We have many social events where the young officers can share experiences with senior and or retired or former officers in the local community.
